Dear Parent/Guardian,

Congratulations! Your child was chosen for this year's team. They put forth a great effort and attitude. A few things to note:

**Driving** - We will need drivers to assist the team to the away games. If you are available to drive, please fill out an insurance form. Please meet at the front entrance at 3:15 p.m. for driving arrangements. If you have already done so from another sport, we have you on file. Please make arrangements of where your child should be after the games. In most cases, the parent volunteer will drive them home or *back* to the school during away games.

**Uniforms** : Your child will be responsible for his own uniform. At the end of the season, they will return it, clean, to me.

**Practices**: We will be practising at lunch most days.

**Schedule**: Games will begin at 4:00 p.m. and end approximately 5:00pm (or earlier, if possible)

**Equipment**: Players are encouraged to purchase kneepads and have quality indoor running shoes with a good sole to keep from slipping.
