

October 2009

Dear Business Owner:

Pine Grove Public School Council will be hosting our annual Silent Auction and Trivia Night Fundraiser on Friday, November 13, 2009 at Heidehof Home for the Aged at 600 Lake Street, St. Catharines.

We would like to give you the opportunity to advertise your business during this event by donating an item to be auctioned off during the Silent Auction. This fundraiser draws the attention of many people from the community who live and shop in the area. All items that are put on display at the auction clearly display the name of the donator and are printed in the school newsletter following the event.

Your consideration will be greatly appreciated by the staff, students and parents of Pine Grove School. Money raised during the fundraiser is used to purchase educational materials, sports equipment and to supplement extra-curricular activities. The goal this year is to purchase a high jump mat for the safety of our students.

Should you require any further information, please contact the undersigned.

Thank you.
